

## **Vacancy for Cost Trainee - Mayank Sharma & Co.**

### **Role Description**

This is an internship role for CMA Interns based on-site in Mumbai. The interns will assist in financial reporting, cost analysis, budget preparation, and management accounting tasks. They will also be involved in conducting audits, preparing financial documentation, and supporting compliance with regulatory standards. Additionally, interns may collaborate with senior team members on special projects and provide insights for process improvement.

**Location of Company:** Bhandup, Mumbai. Candidate might have to work at client location, which can be anywhere in Mumbai.

**Stipend** – 10,000 to 20,000 per month.

### **Qualification:**

- CMA Intermediate Cleared preferred, but exceptions can be made for the right candidate.
- Strong knowledge of Costing, Budgeting, and Financial Analysis
- Familiarity with Accounting Standards and Compliance Requirements
- Proficiency in using accounting software and tools
- Analytical and problem-solving skills with attention to detail
- Good interpersonal and communication skills
- Ability to work collaboratively in a professional on-site environment.
- Prior internship or relevant experience in accounting/finance is a plus
